OBJECTIVE

Motivated freshman Computer Science student with a strong passion for software development, eager to secure an internship position as a full-stack developer.

EDUCATION

Bachelor of Computer Science, Roosevelt University   Expected - 2027

SKILLS

Languages:	HTML5, CSS3, JavaScript, Python
Technologies:	jQuery, JSON, Git, npm, VS Code
Frameworks:	Bootstrap, Tailwind CSS, UI/UX (Responsive Design)

PROJECTS

Portfolio Websitel. Designed and developed a responsive portfolio website using HTML, CSS, and Bootstrap. The website showcases my skills, projects, and experiences, and it is optimized for viewing on various devices and screen sizes. Implemented responsive design principles to ensure optimal performance and user experience across all platforms. (Try it here)

EXTRA-CURRICULAR ACTIVITIES

- Member: RU Gaming Club

- Dedicated Hindu volunteer with SMVS Temple organization, actively involved since the age of 15. Proficient in event coordination, cleaning, food preparation, and contributing to various functions such as Diwali and Holi celebrations.

LEADERSHIP

- Leadership:

  Between 2017 and 2020, I spearheaded a community initiative where 17 students delved into coding and application development. Guiding them through the learning process, I witnessed their growth from beginners to innovative creators, fostering a passion for technology that continues to drive their pursuits.
